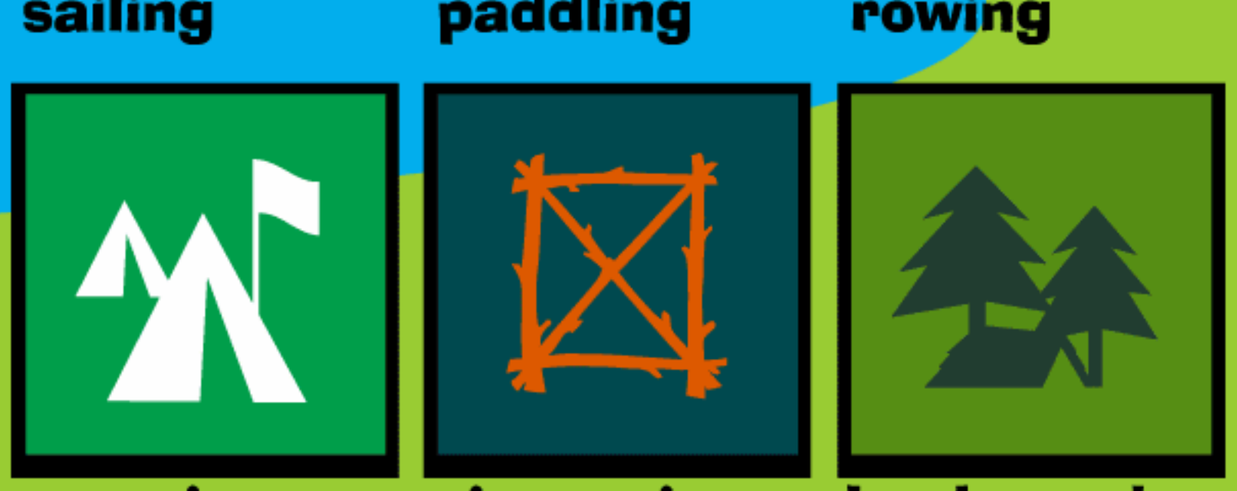
adventure skills badges

Hello. I'm Fionn!
You will need to learn adventure skills so that you can look after yourself while on all your adventurous activities as you work on bree, ruarc and conn...

adventure skills badges will help you on your beaver adventure

air | hillwalking | emergencies

sailing | paddling | rowing



camping | pioneering | backwoods

There are 9 stages - aim to get to stage 3 in beaver scouts - you will start at stage 1.

If you are really good at a skill you might even get the stage 4 badge - or you can work on that when in cub scouts...

Your SCOUTERS and beaver scout friends will help you to learn new skills together.

The best way is to practise. You can also get help from cub scouts, scouts, venture scouts and rover scouts...
